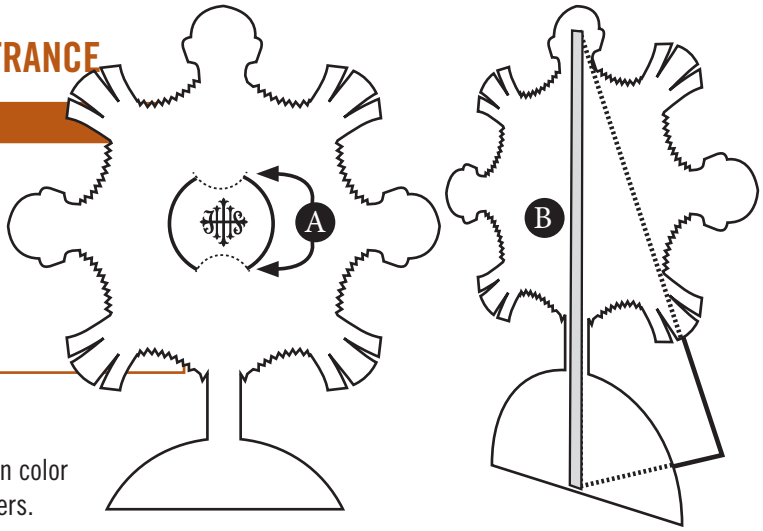
CRAFT PROJECT: **MONSTRANCE**

MATERIALS:

1. Monstrance, stand and Hosts coloring sheets
2. Crayons or Markers
3. Scissors or X-Acto knife
4. Glue
5. Glitter (optional)



STEPS :

1. Distribute pages and let children color as they wish with crayons or markers.

2. Cut out the monstrance, stand and two Hosts with scissors. With an X-Acto knife or utility knife cut half circle tabs at center of monstrance (A) which will hold the Hosts in place.

3. Distribute glue and glitter. Let the children make designs on the monstrance with glue then dust with glitter. After glitter dries, shake off the excess.

4. Have children insert one of the Hosts in the center between the two tabs.

5. Fold gray area of stand and glue onto the back of the monstrances so it will stand. (B)

6. A coloring sheet is available for the younger children who do not have the manual skills to complete this art project.
